

*Dear Wolfgang and Family,*

*What a beautiful farewell picture for Rita's farewell. Our hearts go out to you, your son, and family.*

*We are very saddened by Rita's sudden passing and the pain that you are going through. We'll always remember Rita as a lovely, beautiful, vibrant woman who lit up the room with her welcoming smile. We are thinking about you; and, offer our sincerest condolences to you and your family. May she rest in peace.*

*Sending a big hug and love, ❤️*
